Highway

Pacer's highway services network is built on a foundation of agreements with over 5,000 truckload, less than truck load, expedite and flatbed motor carriers.

Pacer's value is based on more than just capacity. You get the advantage and knowledge of an industry-experienced team that knows how to deliver your freight smoothly from origin to final destination.

Highway Brokerage and Dedicated Services:

Truckload

- Dry Van
- Straight Truck
- Flatbed
- Reefer
- NAFTA Service

JIT/Expedited/On Demand Services

- Multi-modal, Ground or Intermodal

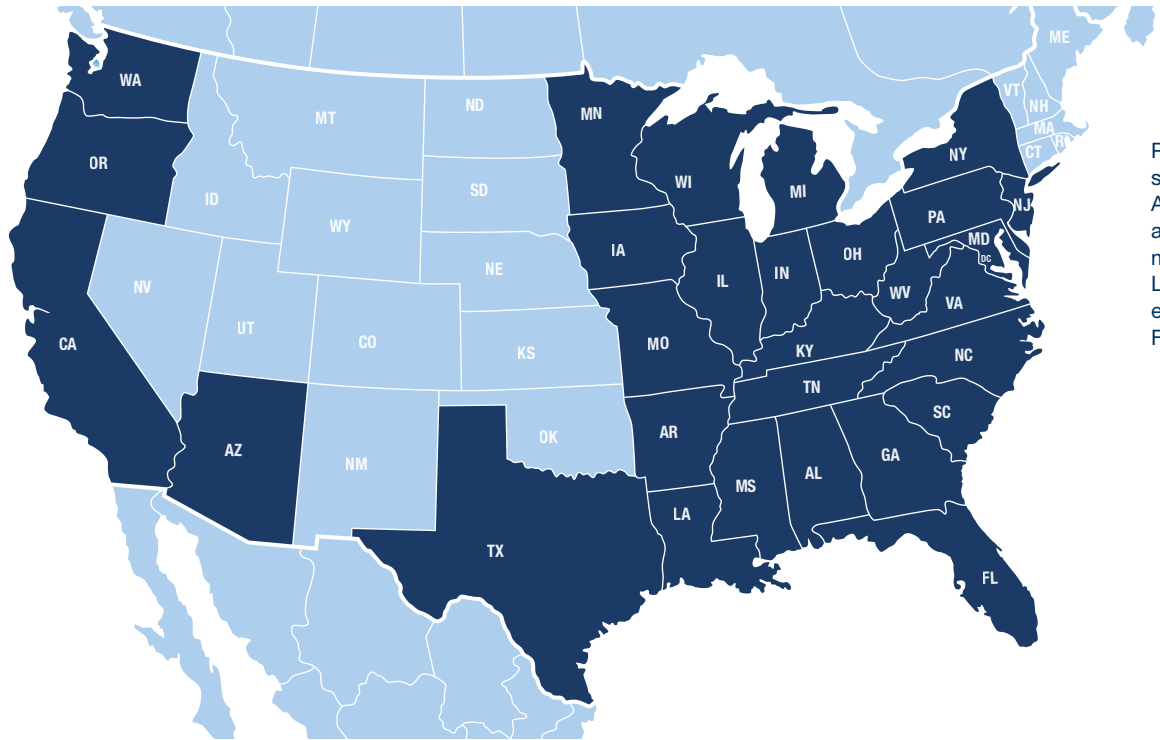

Less than Truckload Services

- 100 lbs to 20,000 lbs
- LTL Consolidation and Optimization
- Local, Regional, National and Cross Border Coverage

Pacer's Highway Team is focused on providing the best over-the-road solutions for our customers. Our TMS technology platform provides easy to use load tender and shipment tracking tools that help make your world run smoother.

For more information about our services, call
1-888-387-6879 or email us at HWYSALES@pacer.com.

Pacer Highway provides solutions throughout North America (US, Canada and Mexico), across multiple modes (Truckload, LTL, Expedite, Air), and equipment types (Van, Flatbed, Temp Control).

OUTBOUND CAPACITY KEY

● Primary
● Secondary
