Overview

Pyramid Oil Company is a growing independent energy company focused on exploration, development and production of crude oil and natural gas. The Company acquires interests in land and producing properties through acquisition and lease. Most of Pyramid's operations and major revenue producing properties are in California.

Pyramid also is participating in a potentially significant natural gas joint venture in Texas and holds acreage positions in Wyoming and New York.

Based in Bakersfield, California, Pyramid has been operating continually since it was incorporated in 1909.
