PRESS RELEASE - APRIL 3, 2013

Capital Group Holdings Launches Spanish-Language TV Ad for OneHealth Urgent Care

SCOTTSDALE, AZ--(Marketwired - April 3, 2013) - Capital Group Holdings, Inc. (OTCBB: [CGHC](#)) announced they will be running a Spanish-language version of their OneHealth Urgent Care commercial on Cox Media's local Phoenix network. The Ads will begin airing today on Galavisión, History Español, Toon Disney Español, Nuvo and CNN Español.

Dr. Michael Blumhoff, MD., CEO and Medical Director of OneHealth Urgent Care, commented, "We believe that the Hispanic market in the greater Phoenix metro area is largely underserved. There are barriers to traditional marketing efforts in this population which encompasses Maricopa, Pinal and Yavapai Counties. It has been our experience that Hispanic patients often do not have a primary care physician and seek out episodic care through the emergency room for their health needs. Our goal is to increase awareness in our Hispanic communities that there are alternatives to expensive emergency room visits."

The Hispanic population in Arizona grew from 1.29 million in 2000 to 1.89 million in 2010 as per the US Census Bureau. The Arizona Hispanic Chamber of Commerce forecasts that Hispanics will account for \$50 billion of Arizona's consumer spending by 2015.
